To

Development Department (Supplies),

SIR,

Subject:

In forwarding herewith a representation by Mr.A.N.Anantharamaiya, B.Sc.,LL.B., at present Rural Rationing Officer, to a Duty Allowance of 20% of his pay for the period of his services in this Department, I have the honour to state that his case deserves favourable consideration by Government. There has been some difference in the allowances sanctioned to different officers at different times, though the conditions of work of those officers were more or less the same. This is perhaps due to the cases having come up for consideration separately. Mr.A.N.Anantharamaiya has cited some instances. I had already addressed Government once in the matter in November 1944. As a measure of encouragement to all the officers of the Food Department and to avoid any feelings of differentiation or discrimination amongst them and in view of the very strenuous work they had to tackle without any precedents to guide them, I very strongly recommend that all the Officers of this Department should be at least shown the same concessions as were extended in the cases of the two officers mentioned by him. In the case of Mr.A.N.Anantharamaiya especially, he has had to come to grips with very difficult problems in the early days of rationing, rationing census and other matters which he did successfully and built up the organisation which is the biggest and the foremost in the State and which is a model to the rest of the State. His request deserves consideration both as a general matter of justice and equal treatment as also from the point of view of his individual achievements.

I have the honour to be,
Sir,
Your most obedient servant,

K Srinivasan

Director of Food Supplies.

Rural Rationing Office,
Taluk Office Bldgs.,
Bangalore City dated 28th July 46

To

The Director of Food Supplies in Mysore,
BANGALORE.

Sir,

A. N. Kuantaraman Esq —

R.R.O., RURAL RATIONING OFFICER - CLAIM OF - TO 20 PER CENT DUTY ALLOWANCE.

I have the honour to state that I am entitled to a Duty Allowance of 20 per cent of my pay for the period of my service in the Food Department for the following reasons:

(1) On the date of my entry into the Food Department that is, on 19th August 1943, the position was that every officer whose emoluments on entry into the Food Department had been determined by then had been granted @ 20 per cent of his pay as Duty Allowance. No change was indicated in the order appointing me when I took charge. No Duty Allowance that had till then been sanctioned for being deputed to the Food Department had fallen less than 20 per cent. I therefore submit that it is very unfair that six months after I joined the Food Department, the Government should have in their Order No.SD.4577-88/A.23-43-9 dated the 11th January 1944 reduced with retrospective effect to Rs.50/- the Duty Allowance that I had a moral certainity of drawing on my entry into the Food Department.

(2) You have been pleased in your letter No.C1.2456/44 dated 11th November 1944 to point out to Government the unfairness of ceasing the Deputation Allowance due to the Officers of the Food Department who joined the Department prior to January 1944 and no orders of Government appear to have been passed on this ~~representation~~ reference.

Dy. No 2747 'K' Stage B.
A139-44-112

(3) Even subsequent to January 1944, Messrs. C.I. Machia and C.K.Srinivasamurthy have been sanctioned a Deputation Allowance of 1/5th of their pay in the marginally noted Government Orders.

1. No.SD.2058-60/A.119-44-2 dated 17/20th Octr.1944.
2. No.SD.3207-14/A.41-44-14 dated 9/12th Decr. 1944.

I submit that I have worked no less hard and I am entitled to be treated at least similarly.

(4) Services that I have rendered at the Ration Census in 1943 have been appreciated by Government and placed on record in Development Secretary's letter No.SD.3204/R.12/43-2 dated 17th November 1943 (Copy enclosed). It is with pardonable pride that I submit that I am also entitled to a due share in the appreciation which the Bangalore City Rationing Scheme has won at the hands of the Officers of the Government of India. Your learned predecessor Mr.G.Sundara Rao in his D.O. No. E,-271 -C. 4140 dated 20.3.46, has been pleased to place on record his appreciation of the Rationing work in Bangalore City while communicating to me the following remarks of Mr.G.E.Allen, Deputy Director of Rationing, Government of India on 19 3/46.

> "To-day we concluded our tour of Bangalore Rationing and we offer our sincre congratulations on the thorough job which has been done. Every effort has been made to seal the many loopholes which can exist in rationing and as a result of detailed instructions to staff on the finer points of procedure and investigation those who would wish to abuse the regulation must find it extremely difficult.
>
> I would like to pay a compliment to the energy and clear thinking of your Rationing Officer, Mr.Anantharamaiya who had devised so many ingenious cross-checked in the Scheme and I would like to see a consolidated Rationing Manual of Staff instructions prepared, based on your experience in Bangalore for use here and in your other rationed towns. Such a document I am sure would prove invaluable.
>
> xx xx xx
>
> I have taken a comprehensive note on your scheme which will be very useful to me in other parts of India".

5. In these circumstances, if the Government do not feel inclined to pass a general order to the effect that the Asst. Commrs. who join the Department prior to 11th January 1944 are entitled to 20 per cent duty allowance, at least my case deserves special
